

**'Virginia's Mejanze' "Oriental Opening"** Set the stage with a charismatic and dynamic entrance created by Virginia to her new Mejanze from her new CD!. This piece incorporates beautiful combinations with new and innovative musical interpretations created to inspire you the dancer! Designed to delight and challenge each student, this choreography class includes intricate break down of technique, a greater understanding of the music, and a variety of emotional nuances taught in a manner in which everyone can grasp and incorporate into their own repertoire. "Change your range" of motion by immersing yourself in this richly choreographed number!
