for **LABOR DAY Monday**

SEPTEMBER 4

Classes Resume on Tuesday Sept. 5

New **NAY** Class

September 9 - Saturday - 1:30-2:30 pm

"Say Yay to the Nay!"

Learn the primary wind instrument of the middle east and one of the oldest instruments in the world, the Arabic Nay! The Nay (or Ney, as it is sometimes spelled) is a long, end-blown flute traditionally made from dried river cane, whose form and construction has remained almost unchanged for most of its 5000 year history.

The class will give a brief overview of the instrument's history and context, as well as basic Arabic and western music theory concepts that are beneficial to playing the instrument and learning music.

Songs and techniques will be taught using a variety of methods so beginners are welcome and no previous musical experience is necessary.

Plastic practice flutes will be made available to students, made by Ron.

Ron Perovich

is the Nay player for the band **Badrawn** and has been playing the classical Arabic flute for nearly a decade. In addition to performance with various music ensembles in the DFW area over the years, he has also released 4 albums of original compositions of instrumental music for belly dance.

Ron has a background in music theory from high school and college, and has also had the good fortune to study Ney (as it is spelled in Turkey) under Turkish virtuoso Omar Faruk Tekbilek and renowned ethno-musicology professor Scott Marcus of UCSB.

Ron is an enthusiastic student himself of the Nay and of Arabic and Turkish music theory and he looks forward to sharing his experience with those curious to try this ancient, and challenging, instrument!

Arbor Daze, Denton Arts & Jazz & Mayfest

Congratulations Festival Dancers!

Welcome to "live" performances!! For many of you, it was a first time to perform "those" choreographies on stage. Now you've done it - and it's time to remind you that sometimes "not good" things can happen to "good" dancers, and it's not what happens to you, but what you do when it happens!! In spite of what you personally feel was "your" mistake, or a technical mistake, you did all pull together and dance! It's called "experience" and we've all been through it - including all the "great" dancers you know!! And as those who've done this before will tell you, each time is easier and better and more fun!

Congratulations for good shows - great job!! Outdoors is always challenging. Congrats to the majority of you who were on time, or early, costumed, covered and giving those awesome smiles and supporting each other so terrifically. Again, Mayfest parking was also challenging but we all made it! Be sure and get those test-outs done before you forget that "just danced" choreography you worked so hard to master.

Love you, [Signature]
