Discounted spay/neuter available for Chihuahuas

The Spay Neuter Network has teamed with PetSmart Charities to offer $20 spay/neuter surgery and free rabies vaccination for Chihuahuas and Chihuahua mixes through the end of the month.

The American Veterinary Medical Association endorses spaying and neutering puppies as young as 8 weeks old. Research also shows that the procedure may improve the behavior and health of the pet, including reducing the risk of certain reproductive cancers and infections.

Just mention the "Cherish Your Chihuahua" campaign when calling to schedule an appointment, at 972-472-5500.

For more information, go to spayneuternet.org.
