Thursday

Silvia Salamanca 9 - 11 a.m.
"Moves & Blades, Using the Edge of the Sword!"
Dancing with a sword and bringing in the feminine energy of Bellydance? Is that possible? In this workshop we will learn a series of moves (slow tempo AND fast tempo) based on the use of the edgiest prop available... the sword!! We will begin breaking down the moves, and explaining the necessary techniques to execute them well. We will also include a few formation changes that use the shapes of the blades to create mesmerizing patterns in a group. All of the moves are brand new and exclusively created for Yaa Halla, Y'all 2016!! **Bring a sword.**

Aneena
11:30 a.m. - 1:30 p.m.
"Double Veil"
All Levels - Combinations and movement using double veils. Bring two veils - circular preferred, but rectangular is okay, just so long as they are BOTH the same shape. For beginners or intermediate - each veil should be a different texture or weight in order to distinguish them from each other while learning the movements. Prop - two Veils

Mia Sha'uri 2 - 4 p.m.
"Poi & Voi: Techniques and Combinations"
As one of the newest props on the Belly Dance scene, the use of poi with a silk veil attached has become a fast favorite. Come join Mia as she teaches the basic use of single poi, how to securely attach a silk veil to create a "voi" and indulge yourselves in simple, but aesthetically impressive voi combinations. You'll leave this workshop ready to create beautiful fusion pieces of your very own! Poi and silk veils will be available for purchase at the workshop or bring your own.

Frank Farinaro 9 - 11 a.m.
"The Boom, Boom, Room"
If you like to dance proud, with your music loud, take any crowd, and leave them wowed, then step on into the Boom Boom Room! This class starts with a pump-up for the warm-up, before power-drilling through a banging choreography! After putting in a hard day's groove, we'll cool our jets with a restorative cool-down. Come put some extra "POW" in your power!

ShoShannah
11:30 a.m. - 1:30 p.m.
"Slow & Low"
During this workshop we will focus on slowing things down. We will work with drills to achieve slower and deeper movements. Get ready to dive into the vast realm of suspension and release with combinations that can be used as either fluid work or separately to give a little flavor to any fusion performance.

Vanessa 2 - 4 p.m.
"Shaabi" - All Levels
Although not "folklore", Shaabi has infiltrated the Egyptian culture and music, and has even changed the way Egyptians are dancing everywhere, from night-clubs to street weddings to videoclips!! This is gonna have a whole lot of info, and a whole lot of fun! Hope to see you there!

"Doug's Musicality Workshop"
What to bring? This will cover a lot of aspects of performing as a group and blending various sounds. So, if you play violin, by all means bring your violin or any other instrument typically played with Arabic Music (Accordion, Oud, Nay). Play something a bit different? The odd instruments, where one asks themselves, 'Can I use this with Arabic Music?', are also welcome. Let's see what can transpire! Yes to Drummers, Zillists and anyone interested in making music. I, Doug Adamz, don't have any lyrics for singing to Light Rain music, but singers are certainly welcome to vocalize with oohs, ohs, & ahs. We could get right into playing music or we may end up talking, answering questions and discussing, or a combination of all that. No one needs to be able to read music. We'll have some fun, make some noise, see what happens.

Galaxy
- Fusion -

Kata Maya 9 - 11 a.m.
"Fusion Combos"
This workshop allows students to learn Kata Maya's style of fusion. These combos are created from Kata Maya's knowledge in ballet, jazz, hip hop, and serpentine movements.... with a little Cabaret flair. Good for intermediate to advanced dancers.

Ava Fleming
11:30 a.m. - 1:30 p.m.
"Fusion With A Twist"
Expand your dance and create a SUPER YOU! Musicality, Movement, Stage Dynamics, Personality and more, all come together to evolve your dance specialty whether it be Tribal Fusion, Cabaret or something different. You will learn to fuse all aspects of you, your dance, audience, stage, music and emotions, as well as other key elements, creating a unique presentation of your ultimate you. We review fundamental technical aspects to keep your body safe and strong for all styles, then progress to the rest of what makes fusion, fusion.

"Danca do Ventre Samba-esque"
Sadiyya's dance troupe, "Danca della Luna" is known for their unique and high energy Samba-Belly performance, for which they have won many awards!
