AMERICAN BELLY DANCE ICONS

LIMITED EDITION $25 including tax

AMAYA: Well, finally. THE DVDS ARRIVED! The 3 yr. project goes into the next phase...getting it out to the world! Amaya's documentary "American Belly Dance Icons" is here! (Premiere screening of this film March 22 in Albuquerque, NM)

TAMILYN DALAL: This new film/ DVD has been in the making since 2018. Amaya MariaElena made Legends several years ago, about the generation of American bellydancers before us. It is an extremely valuable resource for all bellydance teachers to have and share with their students. I have shown it so many times. Now, our generation is being showcased in this film. Again, a must for every dancer to see and study. It is quite possible that that your teacher (and you) are from one of these teachers lineage or somehow connected to them.

KAREN BARBEE: It's incredibly humbling to be included in this. Actually seeing it in print made me take the time to think about it. So many in this group were personal icons of mine over my five decades in this dance!
Thank you Amaya!!!

ISIS: A massive project - thank you, amazing Amaya, for the drive, love and focus you have had to gather together and honor so many - I'm stunned to be included with these true ICONS who I admire so much - thank you!
And, of course, this year's epic Yaa Halla Y'all 2020 will also be honoring a number of these acclaimed outstanding ICONS, who will be with us, including our beloved Amaya, July 23-25th in a North Texas Premier Screening. Honoring those who have achieved and shared so much makes my heart sing!!!

DVDs are available at Belly Dance Treasures or Contact Isis - 817-282-6172
