The students will be introduced to common traditional belly dance rhythms. Have a Drum that you use as a center piece? Would you like to actually USE that drum? What are the Teachers Teaching? Saturday YHY 2018

YHY Complimentary Yoga with Inaya - Thursday - 8:30 - 8:55am - **DAILY** - Galaxy Room -
 Begin your workshop day with a Yoga warm up! Attendees should wear comfortable fitness or dance clothing (narrow leg pants, capris or shorts are recommended) a warmer layer that can be removed, and are encouraged to *bring a yoga mat*.
Yoga blocks, stretching straps or fitness towels are also helpful, but not necessary.

SATURDAY FULL DAY CELESTIAL ROOM

Karen Barbee - Saturday - 9:00 am - 12:00 pm - Celestial Room - ‘Technical Movement, Organic Movement, and That Happy Medium’ - Logic-intensive, muscle-and-brain-challenging technical movement makes us stronger dancers – for sure! But oftentimes that sort of training can also become our performance – creating an unfortunate habit of robotic movement that is hard to break! Organic movement can reveal a more emotional, genuine, melodic path of movement that, unfortunately, can turn to imprecise mush if left completely unevaluated. Some of both is good – across a choreography, across a phrase of music, even in the same combination! Work with Karen thru various interpretations of musical selections to explore where YOUR happy medium is with regards to the technical-organic spectrum.

Sadie - Saturday - 1:00 pm - 4:00 pm - Celestial Room - ‘Sadie’s All Star Drills and Combos’ - Sadie will lead you on a wild journey of movement and drill sets to have you dancing like a Super Star. Then put it all into action with a variety of combos from drum solo to balady.

INDIVIDUAL WORKSHOPS OR FULL DAY OF THREE WORKSHOPS SATURDAY

Kaeshi Chai - Saturday - 9:00 am - 11:00 am - Galaxy Room - ‘Veil Enchantment’ - Learn a full choreography where you will give life to your dancing partner, the veil. Soar through an enchanting song by Philip Glass with new flourishes, throws, holds and wraps to invigorate the way you dance with fabric.
Please bring a veil!

Silvia Salamanca - Saturday - 11:30 am - 1:30 am - Galaxy Room - ‘Latino/Brazilian Drum Solo’ - Let’s add some flavor to that drum solo!! Learn the steps to some of Latin America and Brazil’s most famous and contagious beats. Understand the similarities in rhythms in the music and apply them to an Arabic drum solo. Want something different to mesmerize your audiences with, this is it!!
(intermediate to advanced and pro)

Mia Sha’uri - Saturday - 2:00 pm - 4:00 pm - Galaxy Room - ‘Bollywood (Indian Fusion)’ - Experience vibrant combinations to Indian cover songs! Join Mia as she shares her latest inspirations through Dhol, Desi and Carnatic covers. There will be a focus on how framing and posturing affect stylization, so you always look your best. ”Despacito” and “Shape of You” covers will be included for all you fans! More intricate moves available for advanced dancers. (All levels welcome)

INDIVIDUAL WORKSHOPS OR FULL DAY OF THREE WORKSHOPS SUNDAY

Luna Poumian - Sunday - 9:00 am - 11:00 am - Galaxy Room - ‘Speaking Through Movement’ - The beauty of dancing is the fact that you can communicate without using your mouth, so Luna truly believes that belly dance is not the exemption, in this session we will be doing exercises to understand the magic of storytelling, and how to incorporate it in to belly dance, she will share her recommendations in how to structure a piece with meaning and will be building a story all together.

Star - Sunday - 11:30 am - 1:30 pm - Galaxy Room - ‘Quirky Combinations’ - Whether you’re here to learn some new moves, refine your technique, or just dance it out, this workshop will have you sweating, smiling, and leaving it all on the dance floor! Star is widely known for her unique style of modern experimental belly dance. This workshop will offer a variety of weird, wonky combos that will be drilled on both sides of the body with the intention of building vocabulary, strength, mind-body connection and having fun! We’ll start with the basics and work our way up. With the idea of this being a “belly dance buffet”, please feel free to take what you like and leave what you don’t. Challenges for all levels will be offered, and students are encouraged to work at their own level. Be ready for anything!

Mia Sha’uri - Sunday - 2:00 pm - 4:00 pm - Galaxy Room - ‘Cabaret Combinations with Zills’ - Get ready to learn engaging combinations with a coquette and dynamic Caribbean flavor!
