We are so excited about the Isis Dance Companies formed within the Isis and the Star Dancers Troupe.
These companies were created to:

- 1) Challenge our dancers,
- 2) Give dancers additional opportunities to develop performance skills, and
- 3) Provide dancers with extra opportunities to perform.

These additional performance opportunities and once monthly class/meetings on the second Tuesday of each month for the Performing Company and then, once each monthly for the Professional Performing Companies, are designed for the more committed, active, multi-performance group:

- 1) They were also created to additionally promote our troupe within the dance community, and
- 2) To prepare the members of the Company for higher level performances.
